

CMA CGM Logistics Park Dadri expertly handles vintage cars brought in for prestigious rally

New Delhi:

In an event organized at ICD Dadri, Greater Noida, the CFS - CMA CGM Logistics Park Dadri handled import containers to deliver 39 vintage cars from all over the world to their owners for “The Himalayan Challenge 2018 [Car Rally](#)”. The rally, organized by The Endurance Rally Association of the UK, has attracted participants from across the world. It started from Imperial Hotel in Delhi on September 21, 2018 and finishes at Agra on October 11 via McLeod Ganj, Nainital and Kathmandu.

The cars, which were driven out of the CFS premises by the participants, were the most exclusive and exquisite of their kind and featured nearly every generation by Bentley, Volvo, Mercedes, Datsun, Morris, Chrysler, Ford, Chevrolet, Austin, Rockne, Saab and Porsche.

A total of 35 cars were imported in CMA CGM containers and 4 in OOCL containers. Logistics support was provided by Cargo Channels Pvt. Ltd (a group company of Argus Global Logistics), a prominent and experienced Delhi Customs broker.

The cars were flagged off from the CFS by Customs Commissioner Mr. Govind Dixit and CEO Capt. V. M. Bawa, in the presence of guests and Customs staff. On behalf of the organizers, Mr. Mahesh Trikha, Director Mr. Saurabh Trikha and CEO Mr. Manoj Kumar of Argus Global Logistics thanked the CFS staff and Customs officials for their guidance and support at ICD Dadri, which enabled clearance of the cars in time for this prestigious event.

On the occasion, Capt. V. M. Bawa said that a strong and professional management and immaculate services have been the very soul of CFS – CMA CGM Logistics Park and its continued success in providing total satisfaction to customers. It was a privilege for the CFS staff to set standards and provide superior, professional and very business-friendly services right from landing of containers in the facility till the delivery of the vintage cars. The CFS services were flexible and offered capabilities that stand true to vital commitments of time and delivery schedule [of the cars](#), he emphasized.

CMA CGM Logistics Park Dadri commences dedicated block train services from ICD Dadri to Mundra

New Delhi, Sept. 5

CMA CGM Logistics Park Dadri Pvt. Ltd, a JV partner of CONCOR, has announced that it has started planning and running dedicated block train services, with all-export containers booked by its CFS, from ICD Dadri to Mundra in association with CONCOR Dadri. The first dedicated block train service, comprising 45 FEUs to Mundra, was flagged off on the night of September 2, 2019 from ICD Dadri by Capt. V. M. Bawa, CEO of CMA CGM Logistics Park Dadri, in the presence of CONCOR staff and the Station Superintendent of Dadri station. The second dedicated block train from ICD Dadri departed soon after, on September 4 at 1630 hours for Mundra with another 45 FEUs booked by the CFS.

Commented Capt. Bawa on the occasion of the inaugural run, **“The services would be on regular/weekly basis and this initiative will benefit the export trade at ICD Dadri in offering direct train services to Mundra with average transit time of approx. 72 hours”.**

He added that, in association with CONCOR Dadri, it is the commitment of CMA CGM Logistics Park Dadri to work out all modalities and deliver efficient services to its esteemed customers in every possible way. “At this juncture, we extend our sincere gratitude and appreciation to CONCOR Dadri staff, and special thanks to CGM Mr P. R. Parhi and CM Mr Akhlaque Ahmed for their wonderful support,” he said.

LogYcode facilitates logistics services in your pocket!

Through its Mobile Application that enables multiple tasks

Exim News Service
MUMBAI, Sept. 5
THIS is the 21st century which is mushrooming towards technological infinity, positioning people's expectation at the zenith degree.

The customary chores of Generation X and Y, like chatting, meeting, working, gaming, shopping, travel, navigation, reading, music, banking, dining, teaching, learning, movies, series and so on has evolved with technology so much so that everyone wants every-

thing readily available in their pocket. The smartphones and other smart gadgets have now become indispensable considering the outreach desires and expectations of people. The contemporary era has even left the laptops, desktops, Smart TVs outmoded. This is the age of Mobile Applications. Technology is no longer an option, but a necessity.

The logistics industry is no exception in terms of technological advancement. The

industry is enduring the progress steadily; however, it still lags with regard to handy and consumer-friendly processes. It is high time the cargo fraternity experiences easy access platforms and applications to effectuate supply chain tasks. Why not have pocket logistics services!

LogYcode has paced its development process to serve the need of the hour. The LogYcode Mobile App extends the comfort of working and carrying out entangled tasks as easy as mobile gaming or online shopping. The user can now check and compare live market freight rates, book shipments, refer to tariffs, create and manage freight documents, track shipments, get bill invoices, book transportation, 24x7 chatbot and customer service on the go using the LogYcode Mobile Application which is freely available on Google Play store for download.

Digital integration and technological remodeling is imperative for simpler, cost-effective, convenient, transparent

and accurate implementation of supply chain functioning. So why wait? Download and start using the app now, emphasised a communiqué.

CCBA President & other office-bearers meet FM; hand over a memorandum

Exim News Service
NEW DELHI/CHENNAI,
Sept. 5

MR S. Nataraja, President, Chennai Custom Brokers Association (CCBA), along with Secretary Mr R. N. Sekar, Senior Vice-President Mr C. B. Bujangaram, PRO Mr Anand Sairam and Mr Jayaprakash met with Ms Nirmala Sitharaman, Union Minister of Finance and Corporate Affairs, and appreciated the government of India for making changes to facilitate ease of doing business, especially in the logistics industry, says a release.

Mr Nataraja also handed over a memorandum to the Finance Minister to apprise her of the major hurdles faced by the members of the Customs broker community. After Amendment of Customs Act, the filing of documents with Customs has been made mandatory within one day and subsequently becomes applicable

late filing charges beyond 24 hours. Mr Nataraja pointed out many issues like system failure and erratic functioning

of ICEGATE server, causing delays in filing documents within the prescribed time. He appealed to the Minis-

ter to make it an auto process so as to extend the waiver of such penalties automatically during system failures, etc. This makes a huge impact on Customs brokers, with revenue loss. Mr Nataraja also pointed out many other issues like abnormal tariffs on consolidation and forwarding of LCL shipments which needs to be regulated.

There was a very good response from the Finance Minister, who assured all such issues will be addressed soon, said Mr Nataraja, as per the release.

ONE expanding reefer fleet

Exim News Service

SINGAPORE, Sept. 3
OCEAN Network Express (ONE) is expanding its current refrigerated container (reefer) fleet of 240,000 TEUs by adding another 6,000 (40" HC) units, including 500 units equipped with advanced

Controlled Atmosphere (CA) technology which slows down the respiration and ripening process to maximise the shelf life of fruits and vegetables. These reefer containers will be made available for accepting new bookings towards the end of the year to meet reefer

peak season global demand around the world.

ONE has one of the largest, state-of-the-art reefer fleets in the world, equipped with the most advanced technologies designed to handle perishable cargo demand. With this new

ONE investment of 6,000 reefer units, coming on the heels of last year's industry leading procurement of 14,000 units, ONE demonstrates its strong commitment to meet growing demand for containerised reefer trade, which remains strongly augmented by expansion of the middle class in Asia constantly demanding healthy food choices. In 2019 so far, the growth in global refrigerated container trade has outperformed the growth in global container trade and ONE expects the growth momentum to be maintained in the remaining months of the year, said a release.

ONE is currently working towards the application of latest IoT technology into its fleet of reefer containers, which allows real-time visibility of critical information such as temperature, humidity inside the container, thereby enhancing value chain proposition of perishable trade.

Its Global Reefer Business Planning team (GRBP), based at ONE's HQ in Singapore, develops its global reefer marketing and business strategy through close monitoring of market demand and closely collaborating with the regional reefer steering desks located in different parts of the world.

ONE's reefer technical team is available on board and on shore to provide round-the-clock assistance when required, the release added.

CMA CGM Logistics Park Dadri commences dedicated block train services from

(Continued from page 3)

September 4 at 1630 hours for Mundra with another 45 FEUs booked by the CFS.

Commented Capt. Bawa on the occasion of the inaugural run. "The services would be on regular/weekly basis and this initiative will benefit the export trade at ICD Dadri in offering direct train services to Mundra with average transit time of approx. 72 hours".

He added that, in association with CONCOR Dadri, it is the commitment of CMA CGM Logistics Park Dadri to work out all modalities and deliver efficient services to its esteemed customers in every possible way. "At this juncture, we extend our sincere gratitude and appreciation to CONCOR Dadri staff, and

special thanks to CGM Mr P. R. Parhi and CM Mr Akhlaque Ahmed for their wonderful support," he said.

CMA CGM Logistics Park Dadri ventures into warehousing by leasing CONCOR facility for 5 years

New Delhi, Nov. 1

After providing many years of successful service in the CFS business, CMA CGM Logistics Park Dadri Pvt. Ltd is venturing into warehousing to expand its business reach to new and existing markets. Driven by the goal of growth and increasing its volume of business by offering more services at ICD Dadri, the company has long-term leased the existing CONCOR domestic warehouse of 2,000 sq. m at the ICD for 5 years. While new office space is being constructed within the warehouse, an application has been furnished with Noida Customs to notify 50% of the warehouse as private bonded area under Sections 58 and 65 of Customs Act, 1962 for providing flexibility to trade.

Acquiring and transforming an old facility into a stylish modern warehouse at the well-connected hub of ICD Dadri will translate to improved customer services and reduced associated logistics costs. As the warehouse can be tailored to the nature of commodities and business, depending upon the budget and other factors, the trade can explore the following possibilities:

- Warehousing of Customs out-of-charge goods and distribution from the location
- Bonding of imported goods, domestication and then distribution
- Consolidation of export goods, subject to Customs approval
- Storage of finished goods for e-market.
- Any special services of QC, labelling and bottling, etc.

The warehouse is located at a secured adjacent area with rail siding and well connected to the main roads so that convenient transport facilities are available to customers. It provides an excellent opportunity for customers to choose the best fit for their business and avail of a valuable resource.

Besides, this warehousing facility of CMA CGM Logistics Park at ICD Dadri can, if required, be supplemented with an inventory management system and distribution across various locations in the region.

CMA CGM Logistics Park Dadri

From page 3

complete air freighter, a B747 of Allied Air, and transported 31 big boxes on 10 x 40' trailers comprising machinery from IGI Airport to its CFS at ICD Dadri for Customs clearance and delivery to the consignee. The origin of the freighter was Milan, Italy, and it was destined for industry in IMT Manesar. This was another feather in the cap of CCLPD, for its commitment to the highest cargo safety and security levels, emphasised a release.

CCLP Dadri is the only CFS in Northern India to have linked the facility as a satellite air cargo complex to Delhi and Mumbai airports since 2010, as per the release. The CFS handles an average of 1,200 tons of air export and import cargo of some major customers of the region through IGI Airport, Delhi in Customs-bonded closed body trucks

(CBTs) under transshipment.

CCLPD can meet customers' export/import air cargo handling needs of all kinds, from specialised cargo handling, Customs handling, warehousing (domestic and bonded) and door-to-door logistics. The CFS offers a full range of service options in NCR to meet customers' needs more cost-effectively. Its skilled team can set

up deliveries to ensure the timely delivery of critical cargo. The CFS ensures that the load stays secure and reliable within its Customs-bonded warehousing on long- or short-term bonded storage.

CCLPD is committed

to providing superior and customer-centric service to its clients by aligning with the CFS' business priorities. It is a one-point solution for all export and import requirements of the trade in the region, the release added.

ESL announces two new services in Asia

Exim News Service

PORT KLANG, Dec. 26 EMIRATES Shipping Line (ESL) has announced the introduction of two new services in Asia – **Port Klang Jakarta Service and Port Klang Surabaya Service**, commencing early January 2023.

The port rotation for the JKT service will be: Port Klang – Jakarta – Port Klang

The regular weekly service will commence on January 6, 2023 at Jakarta, Indonesia.

The port rotation for the SUB service will be: Port Klang – Surabaya – Port Klang

The regular weekly service will commence on January 8, 2023 at Surabaya, Indonesia.

The two services will provide connection to other mainline services to/from Middle East, Indian Subcontinent, East Africa and Red Sea via Port Klang, the strategic transshipment hub, highlighted a release.

CMA-CGM LOGISTICS PARK DADRI PVT. LTD.

This award is for recognition of company’s impeccable CFS services in NCR region of India, which is characterized by Timeliness, Flexibility, Swiftness, Safety and Reliability.

Recognized for commitment to Quality, Leadership, Technology and Innovation, CMA CGM Logistics Park Dadri Pvt. Ltd. was presented the CQE Century International Quality ERA Award to acknowledge strong commitment to quality and excellence. Capt.Virender Mohan Bawa, CEO, received the award at the InterContinental Geneva Convention Hall, from the president of BID Group, Jose E. Prieto.

Initiated with an eye on the constantly emerging needs of international trade in Northern India, CFS-CMA CGM Logistics Park Dadri is amongst the renowned CFS services provider for containerized sea cargo and air cargo within the NCR region and adjoining big cities of Western Uttar Pradesh. CFS - CMA CGM offers a broad portfolio of CFS services including Railways Transportation Services, Roadways Cargo Services, Sea Cargo Services, Customs

Clearance Services, Warehousing Services, etc. CFS expertise also includes providing comprehensive and tailor-made solutions to meet our most valuable clients. Simply put, CFS co-ordinates the activities of various participants viz, Exporter, Importer, Customs, Airlines, etc. in the logistics chain to achieve their shipping objectives economically, efficiently and consistently.

Expressing delight at receiving international accolade, Capt.V.M.Bawa said, “we are immensely proud to receive the quality award conferred by the BID Group One in an event participated by outstanding personalities from the business world and diplomatic corps. Recipients from all over the world are icons of commitment to leadership, technology and innovation, making them models for others in the sector”. CMA CGM Logistics Park is committed to meet and exceed customer expectations of service, by providing round the clock, highly efficient world class container freight services from its facility in Greater Noida.

The BID Group One awards are constituted to best companies and organizations from various countries around the world for achievements in Quality and Excellence. The companies are analyzed based on certain parameters and the information received from the business communities, publications, advertising, trade fairs and exhibitions, consultancy companies, universities, Chambers of Commerce, Embassies and their Commercial Offices. The awards are presented on the basis of commitment to the criteria outlined in the QC100 TQM (Total Quality Management) model, which serves as guideline to business leaders in the improvement of processes and systems.
